THE PROPHET: Lives a life of scandal.. The Scandal? A scandal occurs when someone rejects for temporary reasons what they would accept for ultimate reasons. A person is honest overall but may choose to lie in a particular situation. A person shares with those in need but may choose to be selfish with an addiction. A person works collaboratively with the group but may choose to be selfish for family reasons. In heaven we will always tell the truth, share generously, and love everyone equally. But here on earth we sometimes fall short of these ultimate goals. The scandal in the work of the prophets is not that they are revealing difficult truths, but the listeners reject the ultimate truths to accept temporary benefits. **HOMEWORK:** Let us pray for soft hearts that accept the ultimate truths of life.

DEVELOPMENT AND PEACE

Pope Francis' new environmental encyclical "Laudato Si" was released on June 18th. Celebrating the beauty of the natural world, it calls to all who inhabit the world to preserve its beauty and gifts so that it will live on for all peoples for generations to come. In response to this call, Development and Peace will launch a "Create a Climate of Change" campaign this fall. With guidance from the Papal letter, they will be asking Canadians to make lifestyle changes that are environmentally responsible and calling for greater political action. The Prince George Diocesan Development and Peace will hold fall meetings from Friday October 2nd to Saturday, October 3rd to start building a local campaign. Please mark this date on your calendars and watch for further details - it is hoped that all parishes in the Diocese will be represented.
