Camp Morice

Alicia Bishop and Nicole Hak from our parish of St. Anthony had participated in Camp Morice last week. They were able to find way of doing fun and enriching their spirituality at the same time. For anyone interested of having the same experience, join the Camp Morice Summer program. Details of schedule and contact is at the back of this page.

From Saints to us...

"Conquer yourself each day from the very first moment, getting up on the dot, at a fixed time, without yielding a single minute to laziness. If, with God's help, you conquer yourself, you will be well ahead for the rest of the day. ... The heroic minute. It is the time fixed for getting up. Without hesitation: a supernatural reflection and... up! The heroic minute: here you have a mortification that strengthens your will and does no harm to your body." -St. Josemaria Escriva

We pray for the Sick: Denise, Helen & Harry, Eric Sr., Vi, Arsenia, Reginald, Kelda, Georgina, Shaylyn and Max

Note pastor

THE PROPHET AND THE PRIEST: Today's readings bring together the two themes of prophet and priest into the image of the shepherd. Jeremiah sends out a warning to the temple priests of his day; he admonishes them to be true shepherds that take care of the sheep, following the example of the Lord God. And Psalm 23 expresses the belief of the sheep in a shepherd who protects them from all harm. In the Gospel Jesus, the true shepherd begins his discourse on the Eucharist found in the whole chapter 6 of the Gospel of John (a great read if you are looking for something to meditate on.) Jesus will teach that the true shepherd gives his very life for the sheep he loves. And so must we. Yet, while in the case of Jesus, he loves all sheep, in our case, we often pick who we love for

selfish reasons. Homework: in prayer let us ask God for an increase of the circle of people we love without diminishing the love we already give. CAMP MORICE, Diocesan Camp at Ft.St.James: wonderful programs for children and for families to grow in their faith in the beautiful camp setting. See bulletin board for programs. In particular, each parish in the Diocese has been challenged to send youth to the IGNITE weekend. The group FaceToFace Ministries which runs IGNITE was at the Diocesan Youth Conference in May 2014.

ARTICLE 2 II. THE RELATIONSHIP BETWEEN TRADITION AND SACRED SCRIPTURE The Magisterium of the Church

The supernatural sense of faith

<u>91</u> All the faithful share in understanding and handing on revealed truth. They have received the anointing of the Holy Spirit, who instructs them and guides them into all truth.

92 "The whole body of the faithful... cannot err in matters of belief. This characteristic is shown in the supernatural appreciation of faith (*sensus fidei*) on the part of the whole people, when, from the bishops to the last of the faithful, they manifest a universal consent in matters of faith and morals."

93 "By this appreciation of the faith, aroused and sustained by the Spirit of truth, the People of God, guided by the sacred teaching authority (*Magisterium*),... receives... the faith, once for all delivered to the saints... The People unfailingly adheres to this faith, penetrates it more deeply with right judgment, and applies it more fully in daily life."

Growth in understanding the faith

<u>94</u> Thanks to the assistance of the Holy Spirit, the understanding of both the realities and the words of the heritage of faith is able to grow in the life of the Church:

- "through the contemplation and study of believers who ponder these things in their hearts"; it is in particular "theological research [which] deepens knowledge of revealed truth".

- "from the intimate sense of spiritual realities which [believers] experience", the sacred Scriptures "grow with the one who reads them."

- "from the preaching of those who have received, along with their right of succession in the episcopate, the sure charism of truth".

95 "It is clear therefore that, in the supremely wise arrangement of God, sacred Tradition, Sacred Scripture and the Magisterium of the Church are so connected and associated that one of them cannot stand without the others. Working together, each in its own way, under the action of the one Holy Spirit, they all contribute effectively to the salvation of souls."

Catholic Women's League The Catholic Women's League is the largest national organization of Catholic women in Canada. It is an organization that has been going strong in most parishes across Canada since 1920 and here at St. Joseph's since the 1980's. The Catholic Women's League is all about family. We actively fight for the rights of women and families at all levels of government, passing resolutions and working hard to understand and then act on complex political and social issues that affect all Canadians. As well, through fundraising activities, we support many groups that embody gospel values.
