**Smithers**

The Catholic Women's League is the largest national organization of Catholic women in Canada. It has been going strong in most parishes across Canada since 1920 and here at St. Joseph's since June 1946. The Catholic Women's League is all about family. We actively fight for the rights of women and families at all levels of government, passing resolutions and working hard to understand and then act on complex political and social issues that affect all Canadians. As well, through fundraising activities, we support many groups that embody gospel values.
